Re: CCRTIS Accreditation

Canadian Forensics Inc. has successfully completed the Canadian Criminal Real Time Identification Services (CCRTIS) accreditation process, which authorizes your company to take and submit civil fingerprints electronically for Criminal Record verification (non-criminal purposes only) to the Real Time Identification (RTID) system from the following location:

1370 Don Mills Road, Unit 210, North York, ON M3B 3P3.

The CCRTIS Accreditation Program assesses the security and administrative operations of private fingerprinting companies that intend to take fingerprints for non-criminal purposes. Upon completion of the accreditation process, periodic auditing measures may be conducted to ensure that your company continues to process civil fingerprints in accordance with CCRTIS Accreditation Policy. Canadian Forensics Inc. must comply with the Accreditation Agreement in order to maintain accreditation as a Private Fingerprinting Company. Canadian Forensics Inc. is certified to operate as an affiliate of Reliability Screening Solutions Inc. and authorized to submit electronic fingerprint transactions (non criminal purposes) to CCRTIS via the Reliability Screening Solutions Inc. server.

We look forward to working with your company to uphold the quality and integrity of non-criminal fingerprint identification services in Canada.

Sincerely,

Alison Ste. Marie
